Celebrating 10-Year Impact of Creating “Healthy, Clean and Green” Change Agents

Approximately 200,000+ calendars distributed free to Houston-area families at recycling centers, distribution partners and our January kick-off celebrations.

Over 3,500 images taken by youth for “Healthy, Clean and Green” calendar photo contest.

Over 600 youth shared their God-given gifts and built their self worth during “We Love America, Healthy Clean and Green” community programs.

200 youth participated in “We Love America Healthy, Clean and Green” essay contests.

Recognition from Oval Office when First Lady Michelle Obama noted that our calendar promotes a “brighter, healthier future for our next generation.”

Three-time recipient of Houston Mayor’s Proud Partner Award.
